

**JULY 13 MIDWEST WORSHIP
PRAISE IN THE PARK LYRICS**

COUNT EM

**You got thunder in Your vocal,
You got flames in Your eyes
You got wonder-working power
pouring out of Your side
Checked the tomb all the way through,
the grave was empty inside**

**Ain't no other pull the greatest
miracle of all time
You got power, demons cower
when they hear Your name called**

**You got power that still towers,
make Goliath look small
You got power to devour
any counterfeit roar**

**Even Your tongue is a sword,
count up the score
You are the Lord**

**Holy
You are the Lord
Holy
You are the Lord
Holy
You are the Lord
Holy**

All those funerals You ruined

when You made the dead rise
Heaven's healer using spit and mud
to open blind eye
You got wonders I can't number,
couldn't count if I tried

Called the doctor and the doctor said,
"I'm giving new life"
Tell your enemies the victory
is already here

More than sixty thousand angels,
just the tip of the spear"
One day every knee will bow
and every heart will be Yours

This is the end of a war,
count up the score
You are the Lord

Holy - You are the Lord
Holy - You are the Lord
Holy - You are the Lord
Holy

How many enemies
ended on bended knees,
swallowed up in defeat?
Can't count 'em

How many raging seas
opened in front of me?
How many victories?
Can't count 'em

**How many prophecies
no one would dare believe?
Now it's reality
Can't count 'em**

**How many broken men
given a second chance?
See all the lifted hands
Can't count 'em**

**How many Thomases
doubted Your promises
standing here, now convinced?
Can't count 'em**

**How many hospitals
said it's impossible?
How many miracles?
Can't count 'em**

**How many paralyzed
living a different life?
Go on and testify
Can't count 'em**

**How many sinners saved?
How many bodies raised?
How many empty graves?
Can't count 'em**

**You are the Lord - Holy
You are the Lord - Holy
You are the Lord - Holy
You are the Lord - Holy**

TAKE YOU AT YOUR WORD

**Your word is a lamp unto my feet
Your way is the only way for me
It's a narrow road that leads to life
But I wanna be on it**

**It's a narrow road
but Your mercy's wide
'Cause You're good on Your promise**

**I'll take You at Your word
If You said it, I'll believe it
I've seen how good it works
If You start it, You'll complete it
I'll take You at Your word**

**You spoke, and the chaos fell in line
Oh, I know 'cause I've seen it in my life
It's a narrow road that leads to life
But I wanna be on it (yeah)**

**It's a narrow road and the tide is high
But You parted the water**

**I'll take You at Your word
If You said it, I'll believe it
I've seen how good it works
If You start it, You'll complete it**

**I'll take You at Your word
If You said it, I'll believe it
I've seen how good it works
If You start it, You'll complete it**

**I'll take You at Your word
You're good on Your promise**

**You said Your love
would never give up
You said Your grace
is always enough**

**You said Your heart
would never forget
or forsake me**

**You said I'm saved,
You call me Yours
You said my future's
full of Your hope**

**You've never failed,
so I know that You'll never fail me**

**I'll take You at Your word
If You said it, I'll believe it
I've seen how good it works
If You start it, You'll complete it**

**I'll take You at Your word
If You said it, I'll believe it
I've seen how good it works
If You start it, You'll complete it**

**I'll take You at Your word
You're good on Your promise
I'll take You at Your word**

Holy, that's who You are
Angels and earth sing a song
for Your honor
'Cause power belongs to You
Power belongs to You

There's so many ways I
could sing of Your glory
No, I will never get tired

You're matchless,
clothed in the colors of Heaven

SO MUCH MORE

[Verse 1]

I'm looking up at this
mountain in my way
It seems like all that You've
promised has been delayed
But You said all that I
needed was a little faith
To see You move

[Chorus]

You can do more, so much more
than what I could ask for
More, so much more
than what I could dream

More, so much more
than what I could ask for
I can't even imagine it,
I can't even imagine it,

[Verse 2]

**You're not a God who's
afraid of impossible
You're strong enough
for the weight of a miracle
So I can worship while waiting
There's not a doubt,
I'll see You move**

[Chorus]

**You can do more, so much more
than what I could ask for
More, so much more
than what I could dream**

**More, so much more
than what I could ask for
I can't even imagine it,
I can't even imagine it**

**You can do more, so much more
than what I could ask for
More, so much more
than what I could dream**

**More, so much more
than what I could ask for
I can't even imagine it,
I can't even imagine it
I can't even imagine it**

[Bridge]

get ready
If you've been hoping,**

get ready

**If you've been waiting,
get ready
Get ready for a miracle**

**If you've been broken,
get ready
If you've been weary,
get ready**

**The heavens are open,
get ready
Get ready for a miracle**

**If you've been praying,
get ready
If you've been hoping,
get ready
If you've been waiting,
get ready**

**Get ready for a miracle
If you've been broken,
get ready
If you've been weary,
get ready
The heavens are open,
get ready**

I'm ready for a miracle
I can't even imagine it
I can't even imagine it**

[Chorus]

**You'll do more, so much more
than what I could ask for
More, so much more
than what I could dream**

**More, so much more
than what I could ask for
I can't even imagine it,
I can't even imagine it
I can't even imagine it
Oh, the joy, thank the Lord**

[Bridge]

**'Cause if you've been praying,
get ready
If you've been hoping,
get ready**

Praise God from whom

all blessings flow

Praise Him, all creatures

here below

Praise Him above,

ye heavenly host
Praise Father,
Son and Holy Ghost

[Verse 1]

The Lord is my shepherd
And He is everything I need
So, I will not worry
I will not fear the enemy

He said that He loves me
He said that He's with me even though
I walk through the valley
Of shadow and death and still I know

[Chorus]

He has good plans
He has good plans for me
So, I will take heart
In deserts and gardens

He has good plans
He has good plans for me
If I know my Father
I know my Father has
Good plans

[Verse 2]

The Lord is my Savior
So why should I doubt my victory?
Why would I question
The rod and the staff that comforts me?
He quiets the waters

He quiets the storm
inside of me
So, what could be better
Than walking with Him
when I believe

[Chorus]

He has good plans
He has good plans for me
So, I will take heart
In deserts and gardens

He has good plans
He has good plans for me
If I know my Father
I know my Father has

He has good plans
He has good plans for me
So, I will take heart
In deserts and gardens

He has good plans
He has good plans for me
If I know my Father
I know my Father has
Good plans

I can't see where I'm going
The lines are blurred
but You're showing me love
Love in the midst of the dark**

But blindly I am pursuing You now
Good Shepherd, lead my heart

[Pre-Chorus]

Come and do
what You wanna do
You will do
what only You can do

No matter how far it takes me

SOUND MIND

[Verse 1]

Whatever is true and lovely
Whatever is pure and holy
I fix my thoughts upon it
Fix my thoughts on You

Whatever is right and worthy
Whatever is good and deserving
I fix my heart upon it
Fix my heart on You

[Chorus]

**I've got spirit of praise
for the heaviness
I've got a song to raise
in the midst of it
I've got a sound mind
Oh, I've got a sound mind**

**Now every lie is broken
Because of the words
You've spoken
I trust the way You've made me
I was made for You**

Because of the words
You've spoken
I trust the way You've made me
I was made for You**

for the heaviness
I've got a song to raise

Gave us a song to raise
in the midst of it
I've got a sound mind
Oh, I've got a sound mind**

you've no power here
You must leave**

**Spirit of shame,
you don't know my name
You must leave**

who reigns over me
Yes, He reigns**

I WILL FOLLOW JESUS

[Verse 1]
For too long, we've been quiet
Silenced by the lies of the enemy
But a new song is arising
From our mouths,
we'll sing out a new melody

[Verse 2]
And we will not miss this moment
'Cause we were born
for such a time as this

Reaching for our brothers
and our sisters
We won't let the devil win

[Pre-Chorus]
And we won't look back

at our lives
We've seen the King
He paid it all,
and now we are His
He's everything

[Chorus]
I have decided
I will follow Jesus
Anywhere He leads us
That's where we will go

I have decided
I will follow Jesus
Anywhere He leads us
That's where we will go

[Verse 3]
We've got no more questions
Yeah, we will go, in His authority
Jesus exalted is the vision
And we say yes, with no apologies

[Chorus]
'Cause I have decided
I will follow Jesus
Anywhere He leads us
That's where we will go

I have decided
I will follow Jesus
Anywhere He leads us
That's where we will go

I have decided

**I will follow Jesus
Anywhere He leads us
That's where we will go**

I will follow Jesus
Anywhere He leads us
That's where we will go**
